

CAPES POSTDOCTORAL NATIONAL PROGRAM

Call for Applications n. 01/ 2018 - Postdoctoral Research Projects

According to CAPES's Resolution N. 086, the Graduate Program in Political Science (PPGCP) at Universidade Federal de Goiás (UFG) discloses this Call for Postdoctoral Research Projects, within the following terms.

A) The Graduate Program in Political Science (PPGCP/UFG) offers 1 (one) postdoctoral scholarship to a research proposal. The basic grant is R\$ 4100,00 (four thousand and one hundred reais) per month, and the fellowship is 12 (twelve) months.

1. According to fellow's academic performance, the postdoctoral scholarship might be renewed up to 60 (sixty) months, maximum.
2. It is forbidden to cumulate this scholarship with any other kind of scholarship from CAPES, from any other public Brazilian or non-Brazilian research funding agency, or from public or private enterprise. If not otherwise provided by a CAPES' specific rule, it is also forbidden to cumulate this scholarship with any other paid professional activity.

B) CAPES will also provide an additional annual costing fund. The amount of this grant will be defined later by CAPES and will be deployed in 2018.

1. The use of this additional costing fund must be strictly related to the postdoctoral research project.

C) The postdoctoral scholarship is open to candidates who:

1. Hold a doctorate in Political Science, International Relations, or similar areas, by the time the scholarship is deployed;
2. Are neither retired, nor in similar condition;
3. Are not employed at UFG;
4. Satisfy one of the following conditions:
 - i) Being a Brazilian or a Foreigner living in Brazil holding a valid temporary visa and no employment contract by the time the scholarship is deployed;

- ii) Being a foreigner living outside Brazil when applying for the scholarship, without an employment contract by the time the scholarship is deployed;
- iii) Being a lecturer or researcher in Brazil holding an employment contract with Higher Education Institutions or with Public Research Institutions, by the time the scholarship is deployed. In this case, the candidate must present PPGCP/UFG a document, whereby she/he certifies that has withdrawn from his previous professional position, in order to develop the academic activities related to this postdoctoral scholarship.

D) Candidates must send PPGCP/UFG the following documents:

1. Application form;
2. A copy of the passport;
3. A detailed curriculum vitae (Currículo Lattes for Brazilian candidates);
4. A copy of the doctoral diploma;
5. In case of a foreign candidate living outside Brazil, a document certifying her/his residential address abroad, by the time the application is sent;
6. A work plan (max. 5 pages). The plan should contain the description of teaching and supervising activities to be developed at PPGH. It should also demonstrate how those activities will help to consolidate and strengthen the PPGCP.
7. A research project to be developed during the tenure of the fellowship (max. 15 pages, Times New Roman 12, space 1,5). The project must contain the following items:
 - i) Research Title;
 - ii) Research Theme;
 - iii) Justification;
 - iv) Brief methodological description, pointing the research stages;
 - v) Expected outcomes.

The work plan and the research project can be written in Portuguese, English, Spanish or French.

E) Candidates should submit these documents by **August 3, 2018**, until 6 PM (Brazilian time), by e-mail (ppgcp.ufg@gmail.com).

F) Candidates will be selected according to:

1. Academic and scientific merits of the research proposal;
2. Curriculum and work plan analysis;
3. Interview performance.

G) Preliminary results will be made known by **August 7, 2018**. Only shortlisted candidates from this first stage will be called for an interview.

H) The interviews will be held between **August 13 and August 15, 2018**. In case of candidates living outside Goiânia or outside Brazil, a distance interview will be held by electronic means.

1. The final result of this selection process will be disclosed by August 13th, 2018. The successful candidate is expected to start in September/November 2018, maximum. The exact starting date will be communicated to the selected candidate later.

J) The selected candidate is expected to:

1. Present an annual research report and a final research report, within 60 (sixty) days, maximum, after the end of the activities.
2. Commit herself/himself exclusively to the research proposal and to activities related to PPGCP Graduate Program.
3. Be available to:
 - i) Develop research activities in the PPGCP Graduate Program;
 - ii) Teach at UFG School of Social Sciences Undergraduate and Graduate Programs;
 - iii) Participate in dissertation committees;
 - iv) Co-supervise completion of course works and undergraduate scientific initiation works;

K) The selected candidate who lives outside Goiânia must move herself/himself to this city in order to develop regularly the postdoc-toral activities.

L) The foreign candidate should prove that she/he has the required documents to enter and remain regularly in Brazil during the post-doctoral period.

Informal enquiries about this post should be addressed to the PPGCP/UFG (ppgcp.ufg@gmail.com).
